Subject: Critical Communication

Doc Miller,

Your refusal to read or communicate with me is creating difficulty in your competent representation of my case and my interests. You have requested information REPEATEDLY that is contained in the Supreme Court Brief. Please simply READ and quit asking me the same questions over and over.

The BIG BLACK wall of NONcommunication is creating problems. I would like you to please take advantage of my long, arduous and continuing effort to communicate with you and to make you available for communication from your other clients.

Turning on your FAX machine is a small thing to ask Doc.

With fond regards,

Steve Douglas, Gartin (your client)
2004

Saturday, March 13,

Good Evening Mr. Miller,
Sunday, April 04, 2004

I realize that it is Sunday evening and that you will not see this communiqué until afternoon tomorrow when you and "Cookie" awaken, but I have not heard from you in recent history and I hope to be in line for your attention when you decide to consider your professional obligations to your clients. After the untold hours of teaching you to communicate on line and the great expense I have carried to make sure that you have email and websites, it seem that the only means of communication I can prod from you is the FAX machine, so I will endeavor one more time to get your attention by FAX at the

risk of being accused of felony FAXing again.

As you are aware, your agreement with Marlene Langfield that I will not file any lawsuits expires in less than a week. I don't know what all agreements you intend to "welsh" on, besides the one that Chas retained you to pursue, so during this period of constructive confinement I want to prepare the VanDusen suit, whether or not you intend to participate as you have promised. I have asked you several questions concerning when Renita O'Ferrill was charged, when she was convicted, or plead; and what the charges were against her and what her sentence was, but you have not yet responded to several email requests. I understand that you have lost the first 35 pages of the discovery provided by Joe Gilmore in 01CR3011, which was recently dismissed against me; but I still need that information to prepare the Van Dusen suit. I would appreciate it if you would provide that information VIA email to me, or VIA FAX or phone to Chas or Frank – they are both email literate and can pass that information along to me if you would even be so kind as to call them with the information. I have requested information concerning pending matters, but have received no response from you what-so-ever. I trust that you will take time to email me the information I have requested concerning current and on-going cases. If you have somehow lost my emails or FAXes, ask Chas or Frank to send you copies or to read them over the phone.

Sincerely yours,
Steve Gartin (your client)
