Re: Thomas C. Miller

Dear Mr. Clements,

After reading a copy of the Complaint you filed in US District Court against Mr. Miller, Katherine Grier and Magistrate Chapman, I am going to give you one chance to save yourself a lot of grief.

You have until Tuesday at 5:00 pm to dismiss the complaint and to provide me with proof that you have done so. Your complaint is frivolous, groundless and vexatious. If you continue, I will use every legal means to defend Mr. Miller, as will the other two defendants.

Contrary to your favorite words, this is not a threat nor is it extortion. This is me telling you that your lawsuit is without basis in fact or in law, and that if you proceed, you will likely owe three people attorney fees, amongst other things.

Your decision. Choose wisely.

Thank you.

Sincerely,

  
Kevin C. Massaro
